- Cable management

Under Desk Charger

Unwyre is the invisible, under-desk, fast wireless charger.

Unwyre allows you to charge your phone on any desk, bench or surface up to 30mm thick with no routing, drilling or modification required. Unwyre can be conveniently retrofitted to any existing installation.

Unwyre is designed with a unique cartridge mounting system allowing the easy removal and replacement of the charger at any time.

Simply peel the 3M double sided tape backing and install Unwyre under any surface up to 30mm thick.

Unwyre comes with a 3 metre power cable and 4 cable management clips so you can route the wiring easily and neatly to suit your needs.

Unwyre supports fast Qi compatible charging on all phones that support it. With 5W Android charging, 7.5W iPhone fast charging and 10W Samsung fast charging, you'll be charged & ready to go in no time!
